

RZR170

>>> **FUEL YOUR CHILD'S LOVE OF THE RIDE.** With the same aggressive style as its big brother, the *RZR 170* is a great way to introduce your kids to powersports. And with these excellent protective products from Polaris and performance accessories from DragonFire Racing, they can have even more fun.

A. RZR 170 SOFT TOP

■ This Soft Top delivers protection and great value. Made of high-quality 600-denier solution-dyed polyester material, it is fade-resistant, strong and stable. This roof will provide passengers and riders protection from the sun and most rain.

PART No. **2877685**
FITMENT *RANGER RZR 170 MY 09-10*

B. RZR 170 HALF WINDSHIELD

■ For protection without the loss of refreshing airflow, install this Half Windshield on your *RANGER RZR 170*. It provides protection by deflecting and blocking a great deal of rain, snow and debris that could otherwise end up in the cab. Meanwhile, there is still plenty of open area above the Half Windshield for optimal visibility and fresh air. This Half Windshield is made of durable polycarbonate.

PART No. **2877684**
FITMENT *RANGER RZR 170 MY 09-10*

C. RZR 170 FRONT BRUSHGUARD

■ This rugged brush guard adds a sporty look and excellent front protection from brush, low-hanging branches and trail debris. It features a durable 1 1/2" tube design, with a great-looking powder coat finish.
